TO THE VOTERS AND CITIZENS OF LAWRENCE CO.:

I take this method of thanking you fer your kindness shown me during this campaign, not only for your loyal support of voting for me but your kind treatment in every respect. I have no ill feeling for those who opposed me but extend to them kind regards. I did not ask for the office of Circuit Court Clerk for greed or any seifah metive but to be your servant if selected. My having no opposition in the final election was no fault of mine and I should not be charged with it. Should my opponent have gotten on the ballot and received even a single vote more than I, I certainly would not have questioned it.

All was done for her that loving hands could do but God in His wisdom doeth all things well. "A dear friend from us is gone, a voice we loved is still. A place is vacant in the home that never can be filled." She was laid to rest in the family burying ground by the side of her brother, overlooking the home.
